

GLOBAL OUTREACH UPDATE TO PARISH

It's been almost two years since our Resurrection Outreach Ministry expanded to embrace the people of Camp Louise, Cap Haitian, Haiti. As you all know, we have a very robust outreach effort in our parish. We support the food pantry, peace and justice activities, general assistance to the needy, and a prison ministry among others.

This global aspect of our outreach ministry took seriously Resurrection's stated mission of outreach to the poor and disadvantaged in the name of Jesus. This time, we stretched the arms of Jesus a little beyond McHenry County itself.

Thanks to your outstanding generosity, as Resurrection Parish, we already installed a well in Camp Louise and plan to construct 14 rather than 4 or 5 homes for the local residents through our joint venture with Food for the Poor.

In January 2010, we sent \$13,000 to Haiti. Food for the Poor agreed to match our donations so that we will more than double the impact of our fundraising efforts. These structures will be home to 14 families and over 50 persons, mostly women and children.

We will be available after mass to answer questions and invite you to participate in this outreach effort to the poor of our world.

Thank you again
